

Vote Looms On Haliburton Arena Question

It is quite possible that the electors of Dysart may go to the polls in the near future to vote yes or no on the question of a new arena. According to talk on the street the great majority of citizens are in favor of the construction of the new

proposed building; the main question is: When do we get underway?

There is no question as to the need, no one denies that, but council are not unanimous on the way the money for the

project should be raised. Petitions which were circulated since the ice arena was condemned contain hundreds of names but hardly can be termed as the voice of the majority of the electors. However the Community Centres Board have placed

the facts and figures before the council and they show that we can obtain a substantial centennial grant providing the arena is built this year. The above facts and figures have appeared in the press and the matter has been the subject of discuss-

ion in every place where the public gathers.

If and when the electors go to the polls to render a decision on this matter we feel they should be well qualified to do so.

Minden Echo & Haliburton Record

Just A Little Premature

We all know that at times it is hard to assemble news for readers of the press, listeners of the radio and television viewers and this must have indeed been the case last week when someone connected with these news sources started the story about work on a new all year round resort in the Haliburton area being started immediately.

Despite numerous enquiries as to the location of the new development or who was involved no one seemed to know and those broadcasting the story stated that they could not divulge the source of their information.

We would like to think that the proposed enterprise would be started immediately but as anyone knows, such as undertaking will require a lot of planning and there are a great many details to be cleared up before the bulldozers start to work. It is the opinion of the writer that it will be about a

year from now before we can expect much in the way of construction on the new all year round hotel. Everyone interested in the future of this area cannot but help be interested in such a development but such statements circulated last week only raise a lot of false hopes.

Erle Holcombe Passes Away

We are sorry to record the death of Mr. Erle F. Holcombe of R.R. 2, Minden. Mr. Holcombe passed away at the Ross Memorial Hospital in Lindsay on Saturday, April 4th. He was in his 66th year. The late Mr. Holcombe was the owner of Mountain Park Cottage resort on Mountain Lake.

LETTERS to the EDITOR

April 4, 1964
Kilmount P.O.

Re: Last Minutes of
Snowdon Township Council

I did not make any proposal to the Township regarding a bridge on my property. The Council delegated Orle Mintz to come and make a deal with me, giving me an opportunity to buy the bridge. This bridge has been sold privately twice to two different persons. This was against my wishes, the bridge was to be put on Conely's Side Road into Bacon's farm, if not I would purchase the bridge myself. I have been put to a lot of trouble over this and kept in the dark by the Council's of 1961-62-63. When I have tried to find out the price that the bridge was bought for, no one seems to know for some reason.

Further more, I am paying taxes and have done for 6 years for the property that is known as the Gelert Road and also other pieces of old trails through my property. But the Township Clerk, Assessor don't think this is anything to worry about, but if this was their property it would be straightened out immediately. I for one did not sign any petition to have the truck driver taken back; he has not snowploughed for me in 2 years. The money and embarrassment the Council has caused me, they should have all been fired. Thank God we have now got one man who will endeavor to do things the right way and on top of the table instead of under.

MR. KEN KNOWLES,
Property and
business manager for
MRS. LILLIAN LOVEGROVE,
Irondale.

Motorist Charged For Leaving Scene

LINDSAY (ENS) — Laverne Greer of Cobocok, has been charged with failing to remain at the scene of an accident by Cobocok OPP following an accident in the village Saturday night.

Const. Jean Deslaurier said Greer was arrested shortly after a car owned by Melville Jacobs of Haliburton, was struck while parked on the main street. He said total damage to the vehicles is estimated at \$300. Greer will appear in magistrate's court here later this week.

Math Teacher Accepts Post In Scarborough

MILLBROOK (ENS) — John Stouffer, who has been teaching mathematics in Millbrook High School for the last four years, has resigned to become assistant head of the mathematics department in Cedarbrae Secondary School in Scarborough.

Mr. Stouffer started his teaching career in Millbrook, fresh from the College of Education.

He has also taken an active part in the life of the community. He is director and president of St. Andrew's United Church choir, and served on the committee of stewards there. Frequently he has assisted in services with trombone solos.

Mr. Stouffer is also a member of the male voice choir of Port Hope.

He is the son of Mr. and Mrs. Archie Stouffer of Minden.

Local Students To Appear On TV

We have just been informed that the students from the Haliburton County District High School have been invited to take part in CKVR-TV's Teen Time program at Barrie on Saturday, April 18th. We understand the two busses will transport the 100 students who will be attending this event.

Contract Let To M.J. Finn Construction Ltd.

The first building to be constructed by Trent University namely Rudbidge Hall will get under way shortly. Said building will be built by M. J. Finn Construction Limited of Peterborough. Three other firms submitted bids on the new building. We understand this is the first contract to be let in connection with the new Trent University.

M. J. Finn Construction Limited have built three schools and two churches in the County of Haliburton and we might say that the president of this company, M. J. Finn, is the father of Donald J. Finn of Minden. We

might also add that B. Napier Simpson who is a part time resident of the Highlands is connected with the overall planning of Trent University.

The Weather

Recorded by John Elstone

April 1st to April 7th

Maximum temperature 50 degrees above on April 7; Minimum temperature 5 degrees below on April 1; Fresh snowfall .20 water equivalent; Rainfall .24; Total Precipitation .44; Snow on ground 7 inches.

P.C. Executive Committee Hold Quarterly Meeting At Manilla

The Executive Committee of the Victoria - Haliburton - Ontario North Progressive Conservative Association held its quarterly meeting recently in the Community Hall at Manilla.

Mariposa Township Chairman Joseph Jenkins and his committee proved to be very hospitable hosts.

Despite inclement weather there was an excellent and representative attendance from all quarters of the Riding at this meeting; at which President William Scott of Kilmount presided.

Several sub-committees have been busily at work, and reported on their activities through their various chairmen; Mrs. Pearl Ford regarding the Women's Auxiliary; George Inrig concerning Membership and Finance; Robert Hayes in connection with planned Program activities; and Norman Truchan regarding Publicity.

This Association is participating in the current National Research Project, and a sub-committee with James McQuarrie as chairman is locally engaging in studies and deliberations designed to evolve fresh new policy for the Progressive Conservative Party of Canada.

Charles Lamb, M.P., and Glen Hodgson, M.P.P., reported on the proceedings in the current sessions of the federal and provincial parliaments. These Riding Representatives also report-

ed on their activities and efforts on behalf of this Constituency.

Many matters of interest and concern to individuals, to this Riding, and of a more general nature were considered and resolved with our parliamentary representatives.

Jack Thomas Passes Away

Mr. Jack Thomas, a long-time resident of the county passed away on April 6th in Whitby.

Born in Dorset in 1896, Mr. Thomas grew up in the area. He served in the First World War with the army and was wounded during the conflict.

He had worked for the last dozen years for the Hay Co. up until last fall when he became seriously ill. He entered the hospital on February 2nd and during his stay there he made many friends.

He has a son and daughter by his first wife. He married the present Mrs. Thomas in Minden in 1953. He leaves his wife, two children, and four step-children.

The funeral service was conducted at his home in Donald at 2:30 on Wednesday by Pastor McNeill. Interment was at Ingoldsby Cemetery. Pallbearers were members of the Canadian Legion.

District Gov. Attends Rotary Ladies Night

Last Thursday evening most of the local Rotarians, a number of male guests, and their wives took part in their annual Ladies' Night. After a sumptuous meal at Deer Lodge President Lew Roberts introduced the members of the head table who included Past President and Mrs. Gerry Dawson, Mrs. Olga Black, Mrs. Lew Roberts, District Governor Errol Young, W. R. Curry and his daughter Mrs. H. Bishop, and incoming President and Mrs. Joe Iles.

Joe Iles offered the toast to the ladies and Mrs. Vance English responded. Harold Herlihy drew our attention to the valuable work of Rotarian W. R. Curry as chairman of the Rotary Crippled Children's Com-

mittee and as a director of the Ontario Society for many years. He has now stepped down to allow a younger man to take over. In recognition of his service the local club and the Ontario Society are going to present Marywood Camp with a much needed tape recorder in his name.

W. R. Curry then spoke for a few moments describing the beginnings of his interest in Crippled Children's work.

District Governor Errol Young said a few words.

Rotarian Don Tapscott (whose brother directs the famed Tapscott Singers) introduced two of the Montgomery Sisters who help make up the Sunshine

Trio which has appeared on CKVR from time to time. These young ladies, talented vocally and instrumentally, sang a number of old favourites accompanying each other on the piano or being accompanied by Mr. Tapscott.

At the conclusion of the formal part of the program, everyone was invited to view the new film "Holiday Highlands" produced by the Ontario Dept. of Travel and Publicity. This film is designed to introduce our area and Madawaska to the incoming Tourists. We were delighted to see many well known sights and even a few people from the area. All in all it was a good evening.

Milestones Recorded In Policies Of O.P.P.

Milestones are now being recorded in carrying out the new policies of the Ontario Provincial Police. Greater attention to training, selection and the promotion process have marked the 1963 program of the Force and signs of the progress made are now apparent.

The first series of courses ever held for personnel of the Force in Supervisory and Command techniques have now been given to all supervisory and command ranks — which includes everyone from Corporal to Commissioner.

When the District Inspectors attended at Toronto in November for their semi-annual three day meeting with senior headquarters staff, they stayed an additional two weeks for their turn at the course which was designed for the Force by officials of Northwestern University at Evanston. Instructors include O.P.P. personnel and lecturers from Northwestern.

Following that, the Commissioner, Deputy Commissioner, Assistant Commissioners, Chief Inspectors and other senior personnel took the course marking the seventh presentation of the two week lecture series which is designed to enhance efficiency throughout the Force. Subjects include Principles of Management; Elements of Supervision; Staff Relationships; Development of Policies; Evaluation of Personnel; Human Relations in Supervision; Effective Communications; Reporting and Directing.

At this time, 300 members of the force have received this instruction. Promotions to the rank of Corporal necessitate further classes. Meantime, some 500 recruits have also been receiving their two weeks orientation courses at the rate of fifty every two weeks, taxing the facilities of the Force's Training College on Sherbourne Street to the limit. After from six to nine months in the field which follows the compact orientation course, these men will attend the Ontario Police College at Aylmer for a three months' course in basic training.

During this period when recruit training and training of the supervisory ranks are occupying all the facilities of the College, advanced and specialized courses in such subjects as investigation and traffic work must await a period when the facilities of the College are less strained.

In the matter of selection of personnel, the screening and selection processes of the Force which are now established upon lines developed in modern police studies, are providing the Force with an excellent type of young man whose education, aptitudes and abilities will fit him for the various posts open to him in this Force which now offers opportunities in administration and executive posts.

The promotional process has taken on an objective character with its declared aim of recognizing merit in selecting the best men for the jobs that are open. Examinations, appearance before a promotional board, performance ratings and due regard to seniority on the Force all play a part in the important promotional process.

MINDEN

Township of Anson, Hindon & Minden 1963 AUDITOR'S REPORT

The Council and Ratepayers,
Township of Anson, Hindon and Minden,
Minden, Ontario.
Gentlemen:

We have completed our audit of the accounts of the Township of Anson, Hindon and Minden and the Minden Township School Area for the year ended December 31, 1963 and have prepared the statements as listed in the index.

The Capital and Loan Fund Balance Sheet, Statement A, shows general fixed assets of \$146,687.11, details of which are reported in Schedule 18. The work in process of \$104,099.84 refers to the water system which was installed in 1963. Although the system was physically completed and actually in operation as of December 31, 1963 this item has been included in work in process because all costs have not been finally accounted for to date. The amount in this account has been confirmed to us by the Ontario Water Resources Commission and the liability to the Commission for a like amount has been set up under other long term debts. The total of debenture debt outstanding at December 31, 1963 stood at \$126,170.51. In addition the Township assumed the liability for debentures issued by the Provisional County of Haliburton in the amount of \$77,350.21 in connection with debentures issued by the County for high school purposes. There is an amount of \$1,663.35 due to the current fund in respect of expenditures out of current funds in connection with the new municipal building.

The Revenue Fund Balance Sheet, Statement B, reflects the surplus at December 31, 1963 of \$37,957.82. Taxes receivable stood at \$36,749.48, up \$3,745.25 from December 31, 1962. Included in sundry accounts receivable of \$1,896.36 is an amount of \$1,764. remaining unpaid out of the sale price of \$2,100. in respect of certain land sold by the municipality in 1963. We have seen no security for this unpaid balance and understand that there is no mortgage held by the municipality against the land sold. During the year the municipality acquired certain properties under the provision of Section 47 of the Department of Municipal Affairs Act in respect of unpaid taxes in the amount of \$1,276.19. Details of this transaction are reflected in Schedule 7. Included under other assets is an amount of \$7,709.96 which represents the balance in a trust account in which is kept funds raised by the Minden Memorial Recreation Fund Committee. In addition there is the loan to the Minden Hockey Club which has been made out of these funds. The liabilities of the Municipality at December 31, 1963 included temporary bank loans in the amount of \$27,000. Details of these loans are reflected in Schedule 6. Accounts payable include \$1,355.75 payments due in respect of the road account, and \$1,830. holdback on the new municipal garage.

The Statement of Revenue and Expenditure for the year ended December 31, 1963, Statement D, shows a deficit of \$225.11 for the year. Revenue on taxation, details of which are reflected in Schedule 3, was \$133,289.03, up \$17,062.75 from 1962. Grants from the Province of Ontario are up \$3,558. from 1962. Included in expenditures are capital expenditures out of revenue of \$27,304.93, details of which are set out in Schedule 13. Revenues from the operation of the ambulance amounted to \$1,136.50, which was in excess of expenditures by \$266.38. Funds of this amount should be transferred to the ambulance service account.

During the year amounts were added to the collector's roll under Section 53 in the amount of \$460.73. The amounts due to the Minden School Board, the Haliburton County School Board and the County of Haliburton had not been paid over as of December 31, 1963.

During the year a new water system was installed in the Village of Minden by the Ontario Water Resources Commission on behalf of the Township. We are advised that the system went into operation in December of 1963. As of December 31st no invoices had been issued to the users and ratepayers liable in respect of this service. In view of the fact that final costs had not been accounted for by the Ontario Water Resources Commission and that no billings had been made to customers, no statements have been drawn in connection with this utility.

EAKINS AND MACDONALD, AUDITORS

Toronto, March 23, 1964

License Number 2447

AUDITOR'S OPINION

Subject to the qualifications in our report, we report that in our opinion:

- (1) The financial transactions which have come under our notice have been within the powers of the municipality.
- (2) The audit has been conducted in accordance with the instructions of the Department of Municipal Affairs.
- (3) The financial statements present fairly the financial position of the municipality as at December 31, 1963 and the results of its operations for the year ended on that date.

Boating News

Wherever and whenever you do your boating, it's almost certain that you're going to have the kids along. In fact, as the water seems to have a fascination for the youngsters, it's tough to get out in a boat without them!

It's a good thing to remember that things that spark the interest and delight of adult pleasure cruisers may prove as gruesome as a Saturday night bath to the small fry. They crave action — not long periods of inactivity. So, when they go along, whether you like it or not you're going to have to provide something for them to do.

Don't let the time lag between stops and ports of call if you're on a long cruise. Kids

riding in cars are no different from kids riding in runabouts. They get impatient and they'll start a fight among themselves if they don't have some distraction.

Plan a number of stops for almost any excuse to let the kids get ashore. Let them gather driftwood and shells or perhaps go for a swim. Don't try to keep a schedule because the whims of youngsters don't respond to regimentation.

It's always a good idea to have aboard a pair of binoculars and let them search the scenery ahead. Kids are more interested in where they're going than where they've been.

Another idea to keep the young ones happy is to let each

child aboard take a turn at steering under proper supervision. At the same time this is a wonderful opportunity to explain to them how the boat operates and to indoctrinate them into the rules of the road and general boating courtesy.

Almost all kids like to do a little fishing and a 15-minute turn with the fishing rods will probably occupy them very satisfactorily.

Anyone who has ever had kids on a long journey by car is well aware of the fact that it is important to carry along a thermos jug or two filled with water. When kids become restless they become thirsty, and with "Water, Water, Everywhere" this thirst becomes magnified many times.

Being properly prepared for entertaining the young ones make the big difference in successful family boating.

Mr. Gaff Davies was a visitor to Lindsay one night last week.

Mr. and Mrs. George Baker of Toronto visited relatives here last week.

Mr. and Mrs. Frank Barjarow of Lindsay have moved back to their house in Haliburton.

Mr. and Mrs. Hector Bain and daughter Carolyn spent Easter week in Toronto.

Golden Wedding

Mr. and Mrs. Fred Johnson were pleasantly surprised on Tuesday evening, March 31st, occasion of their fiftieth wedding anniversary.

Their family, Mr. and Mrs. Harold Douglas, Mr. and Mrs. Russel Gibson, Mr. and Mrs. William Wilson, Mrs. Sylvia Dummitt, also Lorna and Robert at home, some friends and those of the grandchildren who could come, all gathered at their home.

Everyone enjoyed a sociable evening, which was followed by a bountiful lunch.

The bride and groom of fifty years cut the wedding cake, which was served by the two granddaughters present, Miss Doris Douglas and Miss Glenda Gibson.

The couple received many lovely gifts and cards from friends far and near.

IN MEMORIAM

BAKER — In loving memory of William A. Baker, who departed this life April 9, 1961.

Three lonely years have drifted by

To speak our thoughts we will not try,
Our treasured gift we do retain
Your smiling eyes in our photo frame.

God took your hand we had to part

He eased your pain and broke our hearts,
You are beside us in all we do
Your love will guide us and see us thru.

—Ever remembered by loving wife Laura, sons Carnal and Lloyd.

BAKER — In loving memory of our dear Father and Grandfather, William A. Baker, who passed away April 9th, 1961.

He is gone, but not forgotten
As it dawns another year,
In our lonely hours of thinking
Thoughts of Dad are always near.

Days of sadness still comes o'er us

Many think the wound is healed,

But they will never know the sorrow
That lies in our hearts concealed.

—Lovingly remembered by Jessie, Bill and grandson Peter.

BAKER — In loving memory of our dear Father and Grandfather, William A. Baker, who passed away April 9th, 1961.

You only have one Father
Patient, kind and true,
There are few in all this world
Will be as good as you.

For all his loving kindness
He asked nothing in return,
If all the world deserts you
To him we could always turn.

So you who have your Father
Cherish him with care,
For you will never know the heartaches

Till you see that vacant chair.
—Too dearly loved to ever be forgotten by Hazel, Lloyd and family.

LOCHLIN

Bryan and Brenda Bunn have returned home after spending the Easter holiday with their grandparents, Mr. and Mrs. Cecil Harrison.

Mrs. Jack Hill called on friends here one day last week.

Mr. and Mrs. Jim Wruth spent one day last week with Mr. and Mrs. Dave Burk.

Mr. and Mrs. Bill Davis and Eddie of Oshawa spent the week-end with Mr. and Mrs. Carl Dugan.

Mr. and Mrs. Neil Burk and Andrea and Jack Raymond and Peggy Hewitt spent Saturday evening with Mr. and Mrs. Russell Burk.

Mr. and Mrs. Roy Stackhouse of West Guilford called on Mr. and Mrs. Mervin Gilbert on Sunday.

Sunday visitors with Mr. and Mrs. Raymond Congdon were Mr. and Mrs. Jim Congdon and Mr. and Mrs. Dave Congdon and Mr. and Mrs. Bert Hicks.

Mr. and Mrs. Will Dugan were visitors to Lindsay on Saturday.

Miss Ann Taylor of Minden was a Sunday visitor at the home of Mr. and Mrs. Cecil Burk.

Mr. and Mrs. Murray Wruth and family visited on Sunday with Mr. and Mrs. Jim Dugan.

Mr. and Mrs. Jim Minaker were pleased to have the Dyson children spend the Easter holiday with them.

Mr. and Mrs. Gerald Hicks and family were visitors to Bobcaygeon on Saturday. Bev took part in the hockey tournament which was held there.

Mr. and Mrs. Weldon McPhail of Agincourt spent the week-end with relatives here.

The U.C.W. held their April meeting at the home of Mrs. Sandy Gilbert last Wednesday evening with a very good turn out.

Mr. McAllister of Wilberforce was the guest speaker at the local Church on Sunday morning.

Mrs. Carl Dugan and Carolyn returned home over the week-end after visiting relatives on Manitoulin Island.

Mr. and Mrs. Dave Burk were recent business visitors to Lindsay.

SUGAR and SPICE

By Bill Smiley

I'm going to punch right on the nose the next person, be it man, woman, child or nice old lady whose bones are as brittle as soda crackers, who asks me, "Did you have a nice Easter holiday?"

Some school teachers have a nice Easter holiday, and good luck to them. But English teachers are not among them.

English teachers have the same sort of holiday a bus driver would have if he were given a week off and told he was to drive a bus from Halifax to Vancouver in the next seven days.

When the holidays began, I had examination papers to mark which represented a total of about 480 student writing hours. (They could have produced the works of Shakespeare in the same time.) This, in turn, means that I have about 100 hours of marking time.

No complaints. It's part of the job. But things were a little more complicated this year. The women of the house came down with flu, just as the "holidays" began.

The result was that, instead of sitting quietly in my study, and having countless cups of tea and coffee, innumerable beers and sandwiches brought me, to keep me going, I found myself trotting up and down stairs about six hours of each day, bearing up tempting little things on trays, bearing down dirty dishes. While my pillars of papers sat and gathered dust.

Results of turning the old man loose with the grub for a few days was interesting. My wife has almost decided to become a permanent invalid. My kids realize that their father has another brilliant, unsuspected dimension.

The Old Lady was feeling horrible with the flu, but there didn't seem much wrong with her appetite. She gained about

eight pounds. Of course, she's not used to my lunches. Instead of the soup-and-sandwich routine she's accustomed to, they consisted of something like this: glass of sherry; grilled sausage with butter-fried mushrooms and cheese omelette; tossed salad; blueberry pie and ice cream; coffee; brandy; cherry-centred chocolates.

The kids were a bit shaken by some of my casseroles. Perhaps the most successful was the lasagna. Basis, a can of lasagna — egg noodles in tomato and meat sauce. Simmer in oven for ten minutes. Add layer of mushrooms, layer of strong cheese, layer of thin-sliced salami, layer of onion rings, layer of mild cheese. Bake in oven. Sprinkle with paprika, parsley, chives, cinnamon, nutmeg, wild oats, or anything else that will sprinkle. Serve with hot, crusty rolls, and stand back.

The reason there are no great women chefs? They've no imagination. My wife hacks up some lettuce, tomato and celery, and calls it a salad. If she's feeling particularly exotic, she might throw in some sliced green pepper. My salads, besides these basics, contained great chunks of cheese, all colors; whole green onions, peeled grapes, shredded lemon, raw carrots, quartered dill pickle, jelly beans left behind by the Easter bunny. The whole doused in a dressing made of four raw eggs mixed with tartar sauce, ketchup, mayonnaise, mustard and vinegar.

I have only two things to say about the grand culinary adventure: (a) the food budget is shot for the next six weeks; (b) where can I buy a good second-hand automatic dishwasher?

Scholarships And Bursaries

HALIBURTON COUNTY
DISTRICT HIGH SCHOOL

(Continued from Last Week)

STAFF SCHOLARSHIP

The following is an outline of the conditions for the award of this scholarship.

General Conditions
This award will be made on the recommendation of the Scholarship Committee. The Scholarship will have an annual value of \$200.

Eligibility Requirements
Candidates for the scholarship must fulfil the following conditions:

- (a) They shall be full time students of the Haliburton County District High School.
- (b) They shall reside within the limits of Haliburton County.
- (c) They shall be proceeding to further education at any University, Technical Institute, Teachers' College or School of Nursing.

Academic Requirements

1. Candidates shall have a standing in a minimum of nine papers of any Grade 13 Departmental Examinations including English Literature and English Composition.

2. The candidate must have an average of at least 60% on the Grade 13 papers — all of which must be written in the one year.

3. The scholarship will be awarded to the student with the highest standing in any two of Physics, Chemistry, Botany and Zoology.

4. The student must not be repeating either of the subjects for which the award is given.

5. In the event of a tie, between two candidates, in the aggregate total of marks obtained in the two subjects, the candidate with the highest average on nine papers will be awarded the scholarship.

Withholding of the Scholarship

If, in any year, there is no candidate who qualifies for this scholarship, the committee may withhold the award of the scholarship for that year.

STAFF SCHOLARSHIP

Title

This Scholarship will be known as the Staff Scholarship for Grade 13 in History or Geography.

General Conditions

This award will be made on the recommendation of the Haliburton County District High School Scholarship Committee. The scholarship will have an annual value of \$100.

Eligibility Requirements

Candidates for the scholarship must fulfil the following conditions:

- (a) They shall be full time students of the Haliburton County District High School.
- (b) They shall reside within the limits of Haliburton County.
- (c) They shall be proceeding to further education at any University, Technical Institute, Teachers' College or School of Nursing.

Academic Requirements

1. Candidates shall have a standing in a minimum of nine papers of any Grade 13 Departmental Examinations including English Literature and English Composition.

2. The candidate must achieve an average of at least 60% on the nine Grade 13 papers — all of which must be written in the one year.

3. The Scholarship will be awarded to the student with the highest standing in the one subject of History or Geography.

4. The student must not be repeating the subject for which the award is given.

Withholding of the Scholarship

If, in any year, there is no candidate who qualifies for this scholarship, the committee may

withhold the award for that year.

STUDENTS' COUNCIL SCHOLARSHIP

The following is an outline of the conditions for the award of this scholarship.

General Conditions

This award will be made on the recommendation of the Scholarship Committee. The scholarship will have an annual value of \$200.

Eligibility Requirements

Haliburton Quartet Win Schoolboys Bonspiel

LINDSAY (ENS) — Ian Neville's Haliburton rink of Brian Neville, Andre Mintz and John Elstone last Wednesday won the annual Lindsay Collegiate Institute schoolboys bonspiel. Winning rink was presented with the H. D. Logan trophy by William Kennedy, the president of the LCVI boys curling club.

The day-long event attracted 24 entries from Peterborough, Barrie, Oshawa, Whitby, Ban-

croft, Minden, Midland, Norwood, Cannington, Bradford, Fenelon Falls, Belleville and Lindsay.

Lindsay rink skipped by Robert Nye and including David Presley, David McClory, Kevin Hinton, placed second with 45 points — three fewer than the winning quartet.

High two-game winner was Keith Johnston's Oshawa rink and second high two-game win-

ner was a Barrie rink skipped by John Mays.

Other prize winners were John Lyon's Fenelon Falls; Brian Watson, Belleville; James Nicholls, Whitby; Richard Knigntley, Lindsay; Ross Harrison, Peterborough.

The Neville rink received 48½ points out of a possible 54.

Lions Take Picton

LINDSAY (ENS) — Lindsay Lions Saturday advanced to the semi-finals of the Ontario Junior 'C' hockey championship by downing Picton Merchants 6-3 before a capacity crowd at the Kiwanis arena. They won the best of seven quarter finals 4-1.

Lions now meet the winner of the Barrie-Parry Sound series; the winner to meet either Hespeler or Wallaceburg in the finals.

The Barrie-Parry Sound series, best-of-five affair, is tied 1-1. It is expected however, that the semi-final series will start this week.

D. Johnston's Rink Wins Hughes Trophy

Don Johnston and his rink of Cec Bailey vice, Philip Finlay second and Earle Casey lead captured the George Hughes trophy on Friday night last. The trophy is emblematic of the winners of the play-offs in the second division of the Haliburton Men's Curling Club. The Johnston rink became the winners after defeating Martyn Best's rink on Friday night.

In the round robin play-offs the following rinks skipped by Grant Schaffee, Martyn Best, Bill Johnston, Raymond Scott and Don Johnston competed.

Congratulations

Congratulations are in order to Grant Hewitt and his rink of Minden who won the Annual Department of Highways bonspiel held at Huntsville recently. Teams were entered from all branches of the Dept. of Highways in the Huntsville division. The winning rink received a trophy.

Minden Ladies Play Host To Haliburton

The Minden Ladies' Curling Club played host to the Haliburton Ladies at the Minden Curling Club last Thursday. After playing two six-end games the Minden ladies treated the girls from Haliburton to a delicious supper of Chinese food at the Wagon Wheel near Minden. The Haliburton Ladies would like to take this opportunity to thank the Minden Ladies for a very enjoyable day.

Local Sport Briefs

The Haliburton Curling Club held an end of the season bonspiel of club members at the Haliburton Curling rink on Saturday night. After curling the evening ended with a social hour.

A rink skipped by Roy Windover of Minden won the Harrison trophy for ending up in first place in the regular schedule of the Minden Curling Club. Roy Windover, Earl Palmer, Jack Hounsell and Harry Garner made up the rink.

The Minden Minor Hockey Association will hold an inform-

al get-together with the boys, their parents, and the coaches and sponsors on Tuesday night at the Minden Recreation Centre.

Craig Gartshore of Minden seems to be scoring a goal a game with the Lindsay Lions.

This Friday night the Minden Monarchs will be meeting the Sundridge Beavers at Bobcaygeon in the fourth game of the Intermediate 'C' finals.

Please send in your contributions to the Easter Seal Campaign.

Neville Brothers Top Winners

The Neville boys of Haliburton, Ian and Brian, are among the top curlers at the Haliburton County District High School. The curling season for the curling members of the High School is over and the final results show that Brian Neville and his rink of Andre Mintz vice, Nadine Rae second, Beverley Coneybeare lead have won the regular schedule. Ian Neville skipped his rink of Margaret Yarnold vice, Cathy

Sipe second and Cassie Henry lead to top prize in the plays. The rink won the Esso trophy

Holiday visitors with Mr. and Mrs. Lewis Roberts were Mrs. Ella Clare, Mr. and Mrs. Laurie Burr and Cathy of Toronto.

Miss Pat Mungham of Toronto, Miss Betty Newbatt of Hamilton, and Mr. Keith Newbatt of Geraldton have returned to their teaching positions after spending the holiday with their parents.

Congratulations to Mr. and Mrs. Howard Higgins (nee Clara LaPorte) whose marriage took place in Haliburton on March 28th.

Mr. and Mrs. Walter Besse were week-end visitors to Toronto.

Mrs. Walter Hobden is at present a patient in Lindsay Hospital. Her many friends hope that she will soon enjoy much improved health.

Mr. and Mrs. Brant Sisson visited New York and Washington D.C. during the holiday.

Mr. and Mrs. Chas. Hadley and family of Toronto were recent visitors with Mr. and Mrs. Lloyd Madill.

Mrs. C. Schroter and Candy spent a few days last week in Lindsay.

Congratulations to Mr. John Bowen, who on March 31st reached his 90th birthday. Visitors with Mr. and Mrs. Bowen included Mr. and Mrs. D. Saddler of Hamilton, Mrs. Marion Snodden, Mr. Bob Snodden of Valentia, Mr. Humphrey of Lindsay, Mr. and Mrs. Clarence Fairman of Blackwater.

Mr. Mervyn Bain of Toronto spent the week-end with his parents.

Mr. and Mrs. Tracy Johnston of Pickering are visiting with the Lawrences.

Mrs. K. Barrett of Caledon and Miss Muriel Allport of Toronto were recent visitors with the Fawns.

Mr. and Mrs. Jack Upton and Jeffery, Mr. and Mrs. Gordon Henry, also Mr. and Mrs. Jack Burke of Oshawa spent the week-end with their parents.

CHURCH NEWS

NEW CURRICULUM SCHOOL

During Easter Week, a Demonstration School for the New Curriculum of the United Church was held in Peterborough. Mr. Bill Gliddon, superintendent of Haliburton United Church Sunday School attended this School, which provided teachers with an opportunity to observe the New Curriculum in practice, and how it may be applied to local situations. This new system of Sunday School teaching will begin in September in United Churches across Canada.

Selected by a reporter of the Peterborough press to give his comments on the work of the School, and its results, Mr. Gliddon replied: "This has been an impressive and inspiring experience for myself and all the teachers; the staff of the School are to be commended on their thorough preparation and interesting presentation. For me, the past days have thrown a new and exciting light on Sunday School teaching, and I don't think I shall ever feel quite the same about teaching or conducting Sunday School again."

Asked what qualities a Sunday School teacher should have, Bill said: "I believe a good teacher is always willing to try new methods; to adapt the lesson on the spur of the moment to the immediate needs of the class, at the same time keeping to a definite purpose. Most important, I feel that a good teacher must know and love God as He is revealed in Jesus; he must also love children, seeking always to help their spiritual and physical needs, and striving to make them more deeply aware of God and His purpose."

One of the members of the staff was Rev. David Staples of Minden. The Demonstration School was held in Trinity United Church.

HARCOURT INTERDENOMINATIONAL EASTER SERVICE

On Easter Sunday evening over 60 people from local churches gathered at Harcourt Community Centre for a special Easter service which was conducted by some of the young people from our area.

The service included an opening prayer by Mr. Ed Holland, a scripture reading of the first

Easter by Miss Sherilyn McCrea and a children's story told by Miss Donna Pacey. Mrs. Daniels, Mrs. John Eyre and Mr. Murray Agnew sang as a trio. Mrs. Eyre also sang a solo. Mrs. J. Miller was our pianist for the evening. A tape recorded description of the Crucifixion was played. This was followed by a message given by Captain John Eyre on the importance of giving the Lord Jesus Christ, rather than the church with which we are associated, our loyalty and devotion. The service was closed in prayer by Mr. Charles Hughes.

After the service a number of Young People were invited to the Ken Sanderson home in Wilberforce for a time of fellowship and refreshments. The entire evening was enjoyed by all who attended.

FROM THE PASTOR'S DESK

Insignificant of Indispensable? These two words can describe the extremes of our attitudes about ourselves. Really, our attitudes are important! Some people do feel that they are insignificant. They have a high opinion of themselves. God's word, the Bible, tells us that a man is "not to think of himself more highly than he ought to think; but to think soberly..." (Romans 12: 3). None of us are actually indispensable and yet none are truly insignificant. In God's eyes, we can each have a function in His work whether our influence seems small or great.

There are many examples of God using great and small forces in the Bible. In the prophecy of Jonah (1: 17) we read how God prepared a great fish to do His work. This large fish was used to preserve Jonah's life and to bring him to the place, in himself, where he was willing to do God's work. Later in the same book (4: 7) we see how God prepared an insignificant worm to perform His work. It was used to teach Jonah a lesson in compassion. While the instruments in God's hands were varied there was a common denominator. God prepared them.

Whether you think of yourself as insignificant or indispensable God can prepare you and use you. You must be willing to be used. You must be receptive to God's word, through which He speaks in this day.

INGOLDSBY

The Ingoldsby United Women held their April meeting at the home of Mrs. Laurence Nelson's with a good attendance.

Mr. and Mrs. Pete Robinson and family visited on Sunday with Mr. and Mrs. Doug Carpenter of Lochlin.

Mr. Bill Walker spent a few days last week with relatives at Jarvis, Ontario.

Miss Linda Burk spent a few days last week with her grandparents, Mr. and Mrs. E. Peacock of Gelert.

Larry and Garry Madill of Haliburton spent a few days last week with their grandparents, Mr. and Mrs. John Frances.

Messrs. Reg and Lester Hicks spent the week-end at their

home here.

Mr. and Mrs. Mac Burk and family of Haliburton spent Thursday evening with Mr. and Mrs. Harry Burk.

Rev. and Mrs. Fred McPhail and John of Arthur visited last week with relatives and friends here.

Mr. and Mrs. E. Carpenter and Albert spent Thursday with their son and daughter-in-law Mr. and Mrs. Ivon Carpenter of Fenelon Falls.

Mr. and Mrs. Jack Frances and Mrs. Harry Archer visited on Sunday with Mr. and Mrs. Harold Elstone and Mrs. E. Elstone of Soyers Lake.

Miss Jackie Payne of Allsaw spent Thursday with Miss Marilyn Paull.

Mrs. Sandy Gilbert of Lochlin spent one day last week with Mrs. Reg Hicks.

Apply now for your Social Insurance Number

Your government is issuing Social Insurance Number Cards in place of the unemployment insurance numbers that most employed people have had until now. The new numbers will help government to use modern office methods for greater efficiency in handling unemployment insurance, and also other social benefits such as proposed pension plans.

For these reasons, you are invited to apply for a Social Insurance Number, even if you are not a contributor to the unemployment insurance plan.

IF YOU ARE AN EMPLOYEE your employer will give you an application form. Fill it out and return to your employer promptly.

IF YOU ARE UNEMPLOYED and drawing unemployment insurance benefit you will complete an application form when you report to the U.I.C. in person or by mail.

IF YOU ARE AN EMPLOYER registered with the Commission, you will receive application forms automatically. If NOT registered with the Commission, please get in touch with your local U.I.C. office so that forms may be sent to you. Distribute application forms to your employees, have them completed and return them promptly together, not individually, to the Commission.

**YOU CAN HELP BY COMPLETING YOUR
APPLICATION QUICKLY AND ACCURATELY.**

Recent visitors: Miss Kathy Goff, Toronto with Miss Christena Pickens; with G. W. Barrs from Dundas, Mr. John Crowther, Lee, John and Richard; from Toronto Mr. John McDiarmid, Miss Marine Reed and Diane; Mr. Craig Price of New Zealand; from Barrie, Mr. and Mrs. L. McGaughey and family; from St. Catharines, Miss Grace Maxwell, from Toronto, Mr. and Mrs. Geo. Maxwell and Judy, Mr. and Mrs. Moss Madill and family, Mr. and Mrs. Charles Hadley and family, from Oshawa, Mr. and Mrs. J. Inglis and family, Mr. Ray McColl, from Toronto, Mr. J. Pickens, Mr. and Mrs. Murray Pickens.

The March meeting of the Friendship Circle was held at the home of Mrs. Dallyn Pickens and a social time enjoyed. Lunch was served. The April meeting will be held at the home of Mrs. J. E. Pickens.

Mr. and Mrs. Gordon Riel were honoured at a reception held in the Orange Hall on Saturday evening.

Miss Lois Maxwell visited relatives in Toronto.

Wedding bells have been ringing. Congratulations to Mr. and Mrs. R. Cansland (nee Joan Stoughton), Mr. and Mrs. Neil Dennison (nee Shirley MacDuff) and Mr. and Mrs. Vern Mintz (nee Mira Burk).

Rev. and Mrs. T. Thompson are moving to Muncie, Indiana — a city of about 100,000 where he will be in charge of services in the Northside Assembly of God's Church. They will be missed in our village. They have the best wishes in their new sphere of work.

Mr. and Mrs. G. W. Barr have returned from Florida.

A record player and records have been purchased by the Gooderham Consolidated School. Funds were raised by the social gatherings held every two weeks.

The April meeting of the W.M.C. of the Pentecostal Church was held at the parsonage with eight in attendance. Hymns were sung and prayers offered. The scripture John 17: 1 to 26 was read by the president. Mrs. Thompson led a discussion on the chapter which contains prayers offered by the Saviour. Mrs. F. Dewey read the minutes. Roll call was answered by a be-attitude. A quilting will be resumed at Mrs. Ron Hunters. Mrs. Thompson served delicious refreshments.

News Notes From The County

The 26-year-old mother of two children crippled from a highway accident four years ago, Sunday had both legs fractured a second time in a two car crash near Foxboro.

Mrs. Marie Plumb, Cardiff Township, was one of six persons injured in the crack-up at the Madoc County Road junction with old Highway 14.

Husband: "Where is all the grocery money going that I gave you?"

Wife: "Stand sideways and look in the mirror."

Lobar pneumonia is caused by bacteria. The bacteria to blame probably exist in every healthy throat.

A good number from Haliburton County attended the Horse Auction held in Lindsay last Wednesday.

An evening of one act plays and music is going to be presented at the Haliburton County District High School on Friday, April 10th at 8 p.m. Admission has been set at Adults 50c, Students 35c and Children 25c.

The Minden Ladies' Curling Club played host to the Haliburton Ladies at the Minden Curling rink last Thursday.

The annual Haliburton Rotary Clubs Ladies' night was held at Deer Lodge last Thursday night.

There appears little likeli-

hood that Lindsay will follow the example of Peterborough and institute oral French classes in Public Schools.

The Haliburton Branch of the Royal Canadian Legion are preparing for the grand opening of their new Legion Hall.

The Brotherhood of Anglican Churchmen are preparing for their conference at Bonnie View Inn on Sunday, April 19th.

What Causes Mental Retardation?
An imperfect or damaged brain. A genetic accident, injury at birth, or accident or illness during infancy can cause mental retardation. More than 70 different causes have been discovered.

\$110 MILLION PROJECT ANNOUNCED BY HYDRO

Construction of a new coal-fired power station near Sarnia which will be generating 1,000,000 kilowatts of electricity by 1969 was announced recently by Ontario Hydro Chairman W. Ross Strike.

Estimated cost of the development is \$110 million and construction is scheduled to start late this year or early in 1965, Mr. Strike said. The plant will be situated on the St. Clair River, 14 miles south of Sarnia.

The station will consist initially of two, 500,000-kilowatt turbo-generators, although the 450-acre site is large enough for future extensions.

The largest units now operated by Hydro are 300,000 kilo-

watts, at Lakeview Generating Station on the Western outskirts of Metropolitan Toronto.

"The radical increase in size and capacity of units to 500,000 kilowatts results in greater economy of operation," Mr. Strike said. "This new plant is yet another step in closing the cost gap between coal-fired and hydraulic generating stations."

The plant's capacity of 1,000,000 kilowatts is enough to supply the peak power demands of the cities of Toronto and Hamilton.

The work force at the site will average about 650 during construction, reaching a peak of about 900.

The decision to build on the St. Clair River site, which is about two miles south of the village of Courtright, was made after several months of soil testing to determine whether foundation conditions were suitable for a thermal-electric station. The site was one of a number investigated in Western Ontario.

A total of \$500 damage resulted from a three-car collision in the village of Haliburton recently. Drivers of the cars involved were Robert Warren of Cobourg, Hazel Boice of Toronto and Chessel Nesbitt of Minden. According to police, the Nesbitt car was backing onto Highway 121 when struck by the Boice car. The impact pushed the Boice vehicle into the path of a car driven by Warren, then slid into the Nesbitt car a second time. No injuries resulted from the collision.

The March meeting of Unit One U.C.W. was held at the home of Mrs. Boyd Austin at Haliburton with the president, Mrs. Olga Black presiding.

Don't forget to buy Easter Seals.

During the month of April the Canadian Cancer Society will conduct its annual campaign for funds — funds which are needed for research, education, and welfare.

The campaign will officially get underway in Victoria - Haliburton on Monday.

With Ontario's campaign objective set at two million dollars, Victoria and Haliburton are aiming at a minimum of ten thousand dollars. With cancer one of Canada's greatest health problems, more than 150 research scientists across Canada are now working to find a cure. When a canvasser calls on you give as generously as you can to keep Canada's programme forging ahead.

According to a write up in the Lindsay Watchman Warden steel for the railway line from Lindsay to Haliburton was started in 1873. Steel reached Kinmount in October 1876. Further railway building was held up for a time through lack of

funds but in 1877 Laidlaw secured a grant of \$8,000.00 per mile from the Provincial Government and a bonus of \$3,000.00 per mile from the Canada Land and Emigration Company, which controlled a large part of Haliburton County. The chief obstacles encountered in the remaining 22 miles were heavy rock cuttings and a morass sink hole four miles north of Kinmount which swallowed up hundreds of cars of rock, earth, trees, etc. before it was finally filled and permanently bridged. The 56 miles of railroad from Lindsay to Haliburton were opened for traffic on November 26, 1878.

April is the month during which Canada directs public attention to the subject of cancer and what is being done to develop a cure for this most serious disease. Through public health education the layman is informed as to progress by medical science in cancer research. The cause and cure of cancer are still a mystery but the occasional break-through has brought optimism to medical science and helped in the diagnosis and treatment of certain forms of the disease. All scientists are agreed that time is the essential factor in every case; the earlier the patient receives medical attention, the greater the chance for success. The patient who fears that he has symptoms of the disease should consult his doctor or the cancer clinic as early as possible. In many cases, he is mistaken about the condition and is relieved of long periods of worry and brooding when he has authoritative opinion. If his suspicions are justified, the early diagnosis and treatment may arrest the cancer.

In many parts of this country, there are cancer clinics where the public may receive help; local health units will supply information to those who request it. No suspicion of a cancer symptom should be neglected. Long periods of worrying about the possible condition will not help — it's better to know for certain and to have the benefit of modern medical science.

The Ontario Association For Retarded Children

FACT SHEET

(For Public Education Purposes)

OARC was formed in April, 1963 and consisted of nine member associations, six schools, 133 pupils and 765 members. Today there are 87 schools, 90 associations, approximately 2,800 children and a membership exceeding 9,000.

OARC income is derived from assessment to affiliated locals. Monies, received from foundations, bequests or as gifts are used for special projects in research, parent and teacher education workshops, professional stimulation and community education programmes. An annual grant of \$8,000 from the Loyal Order of Moose is used exclusively for stimulating recreation and camping programmes.

Specially designed school facilities number about 40 with the remainder being housed in rural schools turned over to the association, converted houses, church basements, libraries and Legion halls. At the present time there are approximately 300 classes for 2,500 retarded children being operated by local associations.

Capital cost of new OARC schools range from \$20,000 to more than \$250,000 with the average cost being \$75,000. The Ontario Government pays one half of approved building costs with the remainder being financed by public subscription, service club sponsorship, and in some cases by municipal grants.

School operations are covered in part by provincial grants based on average daily attendance. These grants meet approxi-

mately fifty per cent of the annual operating costs including transportation expenses, a major cost factor. The balance of school expenses are made up of parents' fees, public donations either directly to the Association or through United Appeal, and again, in some cases, by municipal grants. The Minister of Education has recently announced that these grants are to be increased.

OARC schools serve those children with an I.Q. of fifty or less and between the ages of five and eighteen. In Ontario alone there are an estimated 6,200 school age children who fit into this category.

Administering of the schools is done by an Education Committee operating under the direction of the Association's Board of Directors. The OARC Education Committee acts as a policy making committee and an advisory committee giving recommendations and suggestions to locals on their school operation. It is the OARC Education Committee which, through the Board of Directors, makes representation to government for increased grants and financial aid.

In Ontario there are 27 specially designed programmes for the adult retarded. These programmes are instituted under the urging and guidance of the Adult Services Committee of OARC and are administered by the Adult Services Committee of the local association. The programmes operate in the form of sheltered workshops or adult training centres. Every year this phase of the total programme expands and today there are an estimated 700 mentally retarded adults being

served by this programme in Ontario.

Government rehabilitation training grants are available to those retardates who have some potential for working in outside industry.

Special day care programmes are being introduced in many locals to serve the pre-school child. In many cases this programme was started as a project of the Home Care Committee under the direction of a similar committee at the OARC level. Today many locals with a pre-school programme have established a special committee to administer this phase of the total programme.

The OARC Home Care Committee in co-operation with the local Home Care Committee give assistance and direction to parents, particularly those parents who are faced with the problem of having their child at home 24 hours a day. These local committees work closely with public health nurses and the personnel of many other community agencies.

For children requiring institutional care there are, at present, three Hospital Schools run by the Ontario Government and located at Smiths Falls, Orillia and Cedar Springs. An annex of the Orillia Institution is located at Gravenhurst and serves female adult retardates. An Institution for male adult retardates is located at Aurora and the Ontario Hospital, Cobourg houses a large number of female retardates for all ages.

Three more hospital schools are on the drawing boards and are scheduled to be built in Northern Ontario, Niagara Peninsula and the Metropolitan Toronto area. In many instances the governments expansion programme of these facilities has taken place as a result of repeated briefs by OARC with the assistance of the Institutions Committee. This committee works diligently in attempting to improve facilities, staff-patient ratio and staff working conditions and salaries at the Institutions.

A co-educational camp was run by OARC for the first time in the summer of 1962. This same camp was started as a pilot project by the OARC Recreation Committee several years ago. The success of camping

for the mentally retarded was so successful that this year, in addition to the Provincial camp, eight local and regional camps were held at various locations throughout the Province. The Provincial Recreation Committee sent representatives to each of these camps to assist with programme development and to make suitable recommendations for their improvement.

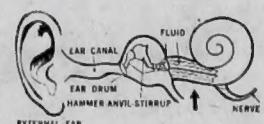

OARC has supported several research projects in medical, educational and social science fields. In nearly all cases the projects were either set up or established as a result of co-operation between Universities and the OARC Research & Development Committee. In some

cases the projects had already been planned but were held up through lack of funds. If the project, after investigation, was found to be worthwhile and possibly offer new hope in shedding light on mental retardation the Research Committee would attempt to find funds to support it.

In 1963 alone OARC pledged or gave more than \$140,000 to research and will invest a minimum of \$45,000 over the next two years to stimulate professional interest in the field of mental retardation.

NERVE DEAFNESS

CAN IT BE HELPED?

WHERE NERVE DEAFNESS STRIKES

If you hear people talking but don't understand the words, you may have a partial nerve deafness loss.

FREE! A FREE and informative booklet covering this vital subject will be sent to you on request. Just fill in the coupon—no obligation, of course!

HELPS BENEFITS

To The Taxpayers Municipality of Dysart et al

The Municipal Budget for the year 1964 is herewith published for your perusal. While there is an increase in Millrate you will see it is entirely due to High School and County levies.

MUNICIPALITY

Municipal Requirements	283,217.00
Less Revenues	183,535.00
Levy on taxpayer	99,682.00

\$16,731.00 increase over 1963. However the same Millrate as 1963 applies.

PUBLIC SCHOOL BOARD

Levy on taxpayer	62,094.00
Decrease of	6,151.00

Decrease in Millrate 5.46 mills.

HALIBURTON COUNTY HIGH SCHOOL BOARD

Levy on taxpayer	67,170.00
Increase of	17,505.00

Increase in Millrate 8.37 mills.

COUNTY OF HALIBURTON

Levy on taxpayer	22,402.00
Increase of	5,682.00

Increase in Millrate 2.60 mills.

COMPARISON OF RATES

1964			1963	
Com.	Res.		Com.	Res.
54.20	48.36	Municipal	54.20	48.36
36.72	33.05	Public Schools	42.47	38.22
39.72	35.75	High School	30.92	27.82
12.14	12.14	County Rate	9.54	9.54
142.78	129.30		137.13	123.94

Increase Commercial Millrate 5.65 mills
Increase Residential Millrate 5.36 mills
Over 1963 millrate

"WHEN I QUIT"

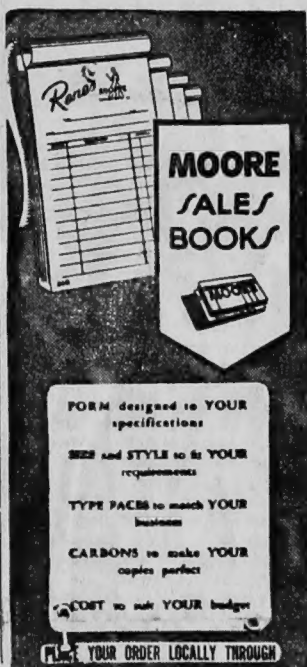

When I quit this mortal shore,
And mosey round this earth no
more,
Don't weep, don't sigh, don't
grieve, don't sob,
I may have struck a better job.

Don't go and buy a large bou-
quet,
For which you'll find it hard to
pair,
Don't hang around me looking
blue
I may be better off than you.

Don't tell folks, I was a saint
Or anything you know I ain't,
If you have stuff like that to
spread,
Please hand it out before I'm
dead.

If you have roses, bless your
soul,
Just pin one on my buttonhole,
But do it while I'm at my best
Instead of when I'm safe at rest.

An Important Notice Regarding Your Health

In view of the excellent response to the Haliburton County Chest Clinics during April 1963-64 the Haliburton County Tuberculosis & Health Association are pleased to announce that Dr. S. Grzybowski, Director of the Provincial Chest Clinic, Department of Health, Lindsay, has advised that Chest Clinic Services will continue during 1964-65.

Your County Tuberculosis Association wishes to thank all the health minded citizens of Haliburton County who made use of these services.

Any form of tuberculosis can be controlled if people take adequate measures to protect themselves by regular chest check-ups and maintenance of good health. By protecting their community through support and participation in public health programs, all types of tuberculosis will eventually be brought under control.

These are the findings of the Chest Clinics held during 1963:

Inactive Cases Tuberculosis	15
No. Patients to San.	2
Active Cases followed o/s San.	3
No. Patients on Chemotherapy	6

Mr. M. P. Waddell, President of the Haliburton County Tuberculosis & Health Association states that all costs of these clinics will be shared by the Ontario Department of Health and the Haliburton County Tuberculosis Association, and that they are free to the public.

Murder She Said

Win a new Evinrude boat and 90 h.p. outboard like this, plus 2 weeks vacation for you and your family at one of Canada's finest resorts.

2 weeks at a vacation paradise!

(Plus an exciting new Evinrude 16' gull wing boat with 90 h.p. Evinrude Starflite motor for you to keep)

FIRST PRIZE: A "MILLION DOLLAR" HOLIDAY! Two weeks at a beautiful summer resort where you and your family will have your own private lodge with everything supplied for your pleasure—meals, fishing guide, swimming and water skiing instruction, baby sitter, even outboard fuel. AND, for your own, to keep, an exciting new Evinrude 16' gull wing boat, powered by a magnificent 90 h.p. Evinrude Starflite outboard motor. (First Prize value, including vacation, Evinrude boat & 90 h.p. motor, approx. \$5000.)

SECOND PRIZE: A FABULOUS 40 H.P. EVINRUDE LARK—the world's most beautiful outboard. Selectric push-button gearshift. (Retail, approx. \$925.)

THIRD PRIZE: THE MILLIONAIRE'S FISHING MOTOR—new low profile Evinrude 9½. Just 34" high, 59 lbs., over 20 mph. (Retail, approx. \$400.)

HERE'S ALL YOU DO TO ENTER . . .

It's simple. Your Evinrude dealer has the entry forms. Just drop in to his showroom.

While you're there, see the fabulous new Evinrudes. The new 90—unbeatable for sheer

dynamic power. The new 60—perfect for boats too heavy for a 40, yet overpowered by a 75 or 90. The tiny new 9½—its low slung powerhead hides away behind the transom of most fishing craft. Don't let its size fool you. This 9½ planes fishing boats at 20 mph.

Get "MILLION DOLLAR" HOLIDAY contest entry forms and full particulars at your Evinrude dealer's now.

• Winners must answer a skill testing question. • No substitution for prizes.

THERE ARE 13 SUPERB EVINRUDES . . .

from 3 all the way to 90 h.p. And whichever Evinrude you choose, you'll get real satisfaction—in performance, in fuel economy, in reliability.

Evinrude puts more than 50 years' experience into every motor, and has a full two-year warranty.

Check them all. You'll find Evinrude just can't be beat.
